DITRA-HEAT® | CURBLESS SHOWERS | SCHLUTER® PROFILES | TILE & STONE INSTALLATION

DITRA-HEAT®
WARMTH, COMFORT, LUXURY

Ditra-Heat® is an electric floor heating system that installs beneath your tile or stone, providing consistent, even heat, energy efficiency and a more comfortable bathroom experience. It also serves as an uncoupling membrane, protecting your tile from cracks and movement in the substrate.

- ✓ Luxurious, comfortable warmth
- ✓ Energy efficient
- ✓ Protects your tile and grout
- ✓ Perfect for floors and shower benches

CURBLESS SHOWERS
SLEEK. MODERN. ACCESSIBLE.

We design and build curbless showers that combine beauty, function and accessibility. Using Schluter® waterproofing and drainage systems, we create a seamless, open look with proper slope and drainage for long-lasting performance.

- ✓ Fully waterproof system
- ✓ Proper slope & drainage
- ✓ Elegant, barrier-free design
- ✓ A clean, modern look

SCHLUTER® PROFILES
THE FINISHING TOUCH THAT PROTECTS & ELEVATES

Schluter® profiles provide clean lines, protect tile edges and create a professional, polished finish. They're available in a variety of styles, colors and finishes to match any design.

- ✓ Protects tile edges
- ✓ Creates clean, professional lines
- ✓ Enhances design and style
- ✓ Built for lasting performance

SCHLUTER® SYSTEMS
ENGINEERED FOR A LIFETIME

Schluter® Systems are high-performance products designed to work together — providing waterproofing, uncoupling, anti-fracture and edge protection for beautiful, durable tile installations.

Schluter® Systems
LIFETIME WARRANTY

Qualifying installations using specified Schluter systems with Schluter thin-set mortars may be eligible for a limited lifetime warranty, subject to the applicable terms and requirements. Visit schluter.com for complete warranty details.
